KW

“ Lori, Steve and I were friends in those early days of our teen youth. I regret having lost touch over the years but I can't help remembering how comfortable I felt in his presence. Steve always took the time to talk with me & smile at the same time. We may have seen each other infrequently, but it was always a joy! May you be at peace Steve & may your family remember the you they loved in those trying days to come. Kevin Weathers
