“Hi Coach TJ”..... “Hello Steven” that was my greeting each time Steven gave me a call about Special Olympics Golf. I don't particularly like receiving calls on my cell phone, but Steven's call was always welcome. He just wanted to make sure I was doing ok and whether we were having golf practice that particular day. The calls were short, but often sweet. It has been 1 year since Steven's last Special Olympics Golf Fall Games. He didn't get a chance to participate that day, but I can imagine that he has been a joy in Heaven. Thank you for being a part of my life Steven, even though a year has past, I still think of you often. Although I have chosen to leave SOSOC coaching, the memories will remain until it is my turn to join those who have been placed in the Father's hands and accepted their mansion in Heaven. Prayers to Steven's family one year on and forever. Coach TJ

“ Steven was a member of the Dorchester Dragons golf team with Special Olympics for many years. He was always happy and fun-loving. I will always remember his FaceTime calls just to check in and make sure I was doing good! The calls were always short, but sweet. I will miss them. Although my time with a Steven was generally concentrated to 8-10 weeks a year, the memories will last a lifetime.
