

Sullivan Connor Watkins

August 10, 2001 - January 1, 2024

Our beloved, Sullivan Connor Watkins, was called home into the arms of Jesus on January 1, 2024 at the young age of 22. Born August 10, 2001 in Charleston, SC, he was the cherished son of Angel Watkins and Bradley Watkins and the loving brother of Kennedy, Sheldon, and Sophie Watkins and his two favorite furry girls, Darla and Sunny.

Sullivan was a senior cadet in the Delta company at the Citadel, majoring in Construction Engineering. He was expected to graduate in May.

Affectionately known as Sully, he had a passion for helping others. His love for Jesus shined the brightest when he was able to help those in need. He was a member of the Northwood Church youth group, having attended multiple missions trips with them. Sully was a beacon of light in the lives of those he touched. He was known for his kind heart, quick wit, and infectious smile. His love for the outdoors and his talent on the football and baseball fields were just facets of his multifaceted personality. His team mates will remember him for his unwavering spirit and determination.

Sullivan was greeted in heaven by his maternal grandparents, Leon & Cindy Peters, his maternal great-grandfather, Billy Floyd, and his maternal aunt, Grace Peters.

Sullivan's legacy of kindness, laughter, and love for life will continue to inspire all who knew him. Though he left this world far too soon, he left it a better place. As we bid farewell to this remarkable young man, let us carry forward the light he brought into our lives.

“ *My son is also a senior at the Citadel and was a friend of your Sullivan. He will be attending the service. My heart grieves for you. But there is an unmeasurable joy in knowing the truth of our faith that your son is now in the loving arms of his savior Jesus Christ. Every day that follows this day is a gift that brings you one day closer to that eternal reunion with your loved one in God's heaven. God bless you all.*

“ I’ll forever be grateful for this last Christmas I was able to spend with him and will forever cherish the meaningful talk we had about our family as well as the exciting events that he had recently take place. He had such a profound love for his family and his comprehension of its importance was well beyond that of the typical 22yr old. I’m proud of my sister for raising such a fine young man and even more proud of my nephew for the life he led as well as what he was able to accomplish in such a short time. I find comfort in knowing that his Aunt Grace was there to welcome him to heaven and be able to meet the grandparents that he never got to meet here on Earth. While I find comfort in the thought, I’ll forever mourn the loss of this kind hearted soul. I can only strive to live in the moment as much as Sully did and pray for true peace/comfort for all those that are mourning his loss. All the ripples of kindness Sully sent out, will far outlive my lifetime and I can only pray that we all continue to send these ripples out in the legacy that he’s left behind. Love those that you hold closest to your heart, tell them that you love them, and hold onto them every chance you get. You never know when it just may be the last time. Sullivan’s life is a reminder that we’re only here for such a short time and that we should leave this place in a better condition in which we arrived, just like Sullivan did. I’ll continue to pray for Angel/family and ask everyone to please keep them in their thoughts/prayers.
