“ I will always remember you, my sweet childhood friend, and our adventures in Hicksville, VA. You got me beautiful earrings for Christmas one year, and all you wanted from me was a yarn bunny that I made with a styrofoam ball. I love you, dear friend. Love,

“ I feel very fortunate that I had the opportunity to get to know you. It hurts my heart that you left us way to early, but i know you're with God and all your pain has been lifted. I will definitely miss you, but look forward to the day we will meet again. May you look from the havens; help your family and friends heel. God bless you and your family.
