

Terri Lynn Sanderson

June 6, 1965 - November 10, 2022

Our beautiful Terri Lynn Sanderson, 57, of Goose Creek, passed away on Thursday, November 10, 2022.

Terri was born on June 6, 1965 in Biloxi, Mississippi, daughter of the late Marian and Gayle Roudabush. She attended Brandon High School in Ortonville, Michigan and came to South Carolina in 1995. Spending time with her family was very important to her but the apples of her eye were her grandsons, being called “GiGi” made her smile from ear to ear. Her smile would brighten anyone’s day, caring for others above herself were things that made her happy. The legacy Terri leaves behind will be her kind spirit, her passion for sports, the love of reading, drawing and zest for outdoor life. Anytime her toes were in the sand and her face was to the sun she smiled most. Among many great things she had done throughout her life one of her biggest accomplishments was climbing to the top of Diamondhead in Hawaii in December 2021 and the Cooper River Bridge run in April 2022. Terri also never met a stranger and was so excited to take on a new adventure and hike along the Appalachian trail where she would leave “trail magic” for those hikers making their way through the tough terrain. Kindness was what she was all about and it showed in her everyday life. Whether it was riding horses, playing softball, sitting around a campfire or talking on the phone Terri was always positive and outspoken to those that loved her, and she was loved dearly by many. Terri will be greatly missed but never far from our hearts

remembering her smile and laugh until we meet again LYMI forever.

She is survived by: Daughter: Kathryn Roudabush (Ethan); Grandsons: Hunter Roudabush and Rhylen Jackson; Brother Mike Roudabush (Emilie); Niece, Stacy Roudabush and nephew Connor Roudabush; Best friend of 40 years, Michelle "Shelly" Burt-Miller and special friend Justine Sheets.

Services will be private.

“ *Terri*
The adventures we shared will always be part of my memories of you. From our first road-trip to SC in 1989 to our last road-trip in Oct 2022 to Savannah we shared a lot. You were like a sister to me. We raised our wonderful children together and were always there for each other. I miss you and love you so much!

“ *I have reflected on how much she has taught me and I feel so lucky to have known her for at least 15 years. My passion for photography is because of Terri, she always encouraged me and guided me, for this I'm forever thankful. My very first tattoo was designed by her and we shared a few tattoo appointments together. We always knew when we needed each other we were always here for each other. Terri was also known as "Zippys nanny" they had a special bond and loved snuggling on the couch . Her smile and wonderful laugh will be missed, may you Rest In Peace bunny boo, love your hunny bun.*
