“ *Dear Family,
I'm so very sorry to hear of the loss of Theresa. She was one of a kind. We worked together at SHS for several years. She always made me laugh. I'm smiling now thinking of her and the hilarious things she would say to get us through our days. She loved you all very much. She spoke of you all often and how wonderful her Bernie was to her. She often said, she didn't deserve his kindness, but I knew she did. Praying for you all.*
