“ I, along with Thomas, was one of the 22 high school graduates from dear ole Glascock County in 1965, as Gibson was my hometown also. We were a pretty close class for 12 years, since we all knew each other and most families. I lost track of Thomas after graduating; however, remember him as Happy-Go-Lucky and, as his obituary stated, marching "to the beat of his own drum". My condolences to the family, specifically "Miss" Ethel! May God bless you all!

“ Patti: Know that my deepest thoughts and prayers are with you. Though part of life, it is never easy to deal with such things. Thomas made me smile. He reminded me that good people are hard to come by and fine neighbors are few. My cold beer always tasted better when Thomas was next to me.

“ Thomas, my beloved husband, love, and best friend. I miss you terribly so. You and I had 26 wonderful years together and you made me laugh everyday. I love you dearly and will hold you in my heart forever. You have been the light in so many lives. I see the sadness in your children as you move from this earth to heaven. They miss you so much. We know we have an angel looking out for us. May you be free of sickness and feel whole once again. Thank you for the joy and love you have given me. I love you eternally. Until we meet again..... Your loving wife?
