“ I played golf with Tom in our NAVELX golf league for 18 years. He and I were partners in our member member tournaments in Stono golf club many times. We won a bunch. I'm 23 years younger than him and our golf handicaps worked well together. So sorry I didn't see this until today. I would have certainly been at his service. May he rest in peace. I will remember him forever. He would do anything for anybody. I stopped by his house and saw him about 3 years ago. Wish I had gone by more.

“ My husband Russell Green met your dad thru Jack Davis (Tom's best friend). After Gov retirement Russell & Tom went to work for Gov contractor & were sent to CA. The job involved digging & laying cable, manual labor. Since the pay was good they finished the job. Russell said at night all they could do was eat supper & have a few beers. With Jack & his wife Jill we enjoyed many a late supper with Tom. Tom was the most genuine & polite man I have ever met..
