“ He has always been considered as a second dad to me. He always had a positive attitude, and was always nice to see. My memories with him go as far back as my early childhood, and I couldn't be happier to call him my grandfather. You fought through a lot, and we'll always be thinking about you. We all love you, Pop!

“ I believe in Faith! You and I only met a few weeks ago to celebrate a birthday. I believe we all meet for a reason and I can say “I know we did”. It had to of been the best conversation with someone in a long time!

You and your wife, I was honored to meet you both! Even though we didn't meet sooner, you both brought me closest to home than I've felt in a long time. Although, this is truly devastating news, know you affected my life in such a positive way in the short time I spent with you ❤️
