“ Tom, you and Judy were special people. Your love and devotion for each other and your children were shining examples of what a marriage should be. You didn't know it, but you two were mentors to me in my future life as a husband and father. Those seventeen months at Clark AFB became a gift from God for nurturing our friendship. Hope the golf courses in Heaven are lush and green! Hit em straight and safe a spot for me on the first tee.

*I will miss Tommy for all times. When he and Judith came to visit his brother Victor and me and the children. The best was when we had all four of the brothers sitting around the pool singing their favourite gospel songs. What beautiful memories and loves like those Quinton boys had for God, Country, and Family.*
