“ *I wish I had had the chance to have gotten to know Tiffani better. We first met years ago through my sister-in-law Lori and then we happened to both be in South Carolina at the same time. Although we exchanged quite a few e-mails, we only got together a few times. She was such a kind and caring person and we had a lot in common. I feel very sad about your loss and can only imagine how difficult these days must be. I'm keeping all of you, Denny, Helen, Michael and David, in my thoughts and prayers. In loving respect,*

“ I am so glad I had Tiffani as a cousin growing up - whether it was horsing around in the pool in summer or playing games in winter, we always had so much fun. What I will always remember most is her beautiful smile and heartfelt laughter.

“ My heart is very heavy tonight after learning of Tiffani's passing. I also met Tiffani at Capital BlueCross and recently had a chance to reconnect with her on Facebook. She was indeed a kind, sweet person. She was ambitious and intelligent and I admired her for it. I genuinely share the sorrow felt by her friends and family.

“ I met Tiffani when we worked together at Capital BlueCross. She was a very sweet and kind-hearted person. Tiffani and I shared some fun times together when we visited Salem, Mass on Halloween weekend. She also took me to my first Broadway show where I had the pleasure of meeting her Aunt, Uncle, and cousin. The last time that I had seen Tiffani in person was when she was pregnant with her son. I was fortunate to be able to keep in contact with her via email and Facebook. I give my deepest most heartfelt sympathies to everyone in her family as they mourn the loss of Tiffani. She will be missed and thought of by each and every person that touched her life.
