“ Tim was my friend and my son Joshua father in law. I enjoyed talking and being with him at family events or sporting events. The main topic was always "Ainsley" . We both took great pride in being her grandfathers. Tim was great and kind man. I will miss him very much. But he is in the care of God now looking down to watch over all his family. Still I see you again . Harry

“ Tim was the first Trooper that I met in 1985 when I first reported to Dorchester County while employed with the S.C. Highway Patrol. Over the next fifteen plus years Tim and I worked very close together and became good friends. One of my fondest memories while working together was in 1989 during the aftermath of Hurricane Hugo. Tim and I met then President H.W. Bush when he landed on Doty Field in Marine One to view the destruction around the Summerville area. We were part of the President's official escort team and it was such a big honor for the both of us. I will miss you my good friend and I pray that God will provide Carol and the rest of your loving Family with the peace and comfort that they all need now during this very difficult time.

“ Tim was part of our family. He was there everytime you asked him. He was a rock to all who knew him. Generous, funny, easy going, reliable, dependable, and just a great person. He will leave a big void in our lives. If there is anyone deserving to be an angel it is Tim. Life is not fair and we should have had him many more years. I love you, brother. It just won't be the same with out you. Thank you for all the good times and being there when I needed you. Calm seas and tight lines. I love you, Bubba.

“ I don't think I've ever known a better friend or neighbor than Tim. We lived across the street from Tim and Carol for over 20 years. There was nothing he wouldn't give or do for us. When we had trees fall in our yard, he was the first there with his chain saw. When he was taking trash and debris to the dump, he would pick up limbs and leaves from our yard. When our edger broke, he didn't just lend us his, he came over and edged the yard for us. When our son was out of work and living with us, Tim brought over boxes of clothes and supplies for our new grand baby. If he had items left over from his yard sale, he would bring them over to me to sell and keep the profits. He would watch our house for us, and get our mail when we were out of town. I could go on and on about the kindness that Tim constantly showed us. And he never asked or expected anything in return. God did a great job when he brought Tim into this world. He will be greatly missed.
