

## Timothy Lewis Springfield

January 16, 1964 - September 16, 2025

Timothy Lewis Springfield passed away peacefully on Tuesday, September 16, 2025, with his loving wife by his side.

Born on January 16, 1964, in Charleston, SC, Timothy was the beloved son of the late James David Springfield and Ellen Springfield. A lifelong South Carolinian, he made his mark through quiet strength, deep devotion to family, and a passion for the simple joys in life.

For 20 wonderful years, he was married to his loving wife, Tamara Springfield, who stood by his side through life's ups and downs. Together, they built a home filled with laughter, love, and unforgettable memories.

Tim was a man of many interests. A loyal fan of NASCAR, he rarely missed a weekend race and proudly cheered on the Dallas Cowboys every football season. He had a talent for refinishing furniture, often bringing old pieces back to life with care and craftsmanship. He also found joy and wonder in the world of Harry Potter.

He was especially proud of his family, which was his greatest achievement. His love for his children, grandchildren, and great-grandchildren was unwavering. He found his greatest purpose in being a husband, father, grandfather, and great-grandfather, and he carried that role with love and joy.

He is survived by his loving wife, Tammie Springfield; his daughter, Jenna Ackerman (Bucky), his grandchildren: Quinton Saunders (Sarah) and Payton Richardson (Luke); his great grandchildren: Jackson Saunders and Penny Richardson; his siblings: Polly, Cindy, Sandra, Donna, Lynn, Dori, Jim, Dave, John, Paul, and Andy; as well as numerous beloved nieces and nephews. He was preceded in death by his parents.

“ To Timmy’s family, I was shocked and saddened to learn of his passing. We were classmates from 1st grade at Sandridge Elementary until graduation, Cross High Class of 1982💙👍 He was a dear friend for all those years and even though life took us in different directions after school, I thought about him often. This news really had broken my heart and I will be praying for his family. I am so very sorry for your loss and while there are no words to ease your pain, please know that I will be praying for God to grant each one of you His strength, comfort and peace during this difficult time and always.

“ You are missed so much already. I hope you knew how much you meant to so many. My dad, the love of my mom's life, the best grandpa, great-grandpa, and friend. You were steadfast and always held me up even when I didn't even know I needed your quiet strength. The only comfort we have in losing you is knowing you are no longer suffering. You were too good for this world. Love you so much - always!
