“ *Tommie was one of the 1st. person, that we met when we moved into this neighborhood. Our house was not quite what we wanted, so we put it back up for sale and he stopped and said to take the for sale sign down. He come down and designed an add on, that the contractors we had contacted could not do. the owner of the company that Phi managed was an architect. He was so impressed and said he would have never thought to have done it this way. We have been happy here and all due to Tommie. He was a great person, who would do for anybody. We will miss him and his riding up and down the street and stopping to visit. Kathy, John and Tommie, you should be proud of him and have many great memories to share with others. He will be missed. Our prayers for you all.*

“ *Tommie Nettles was one of a kind...He never met a stranger, would help anyone, and his humor!! I will miss that whit of his....he was always "Fine as frogs hair"....always had funny sayings, usually had a hard piece of candy in his pocket to give you.....running into his little white truck at Burger King or Wendy's....getting his French fries....pleasant happy memories. He could teach you a lot, ,and he did...we will miss your father, your husband, your grandfather, and great grandfather.. and our very, very dear friend...we are all better because he was in our lives....we send our love to ALL of the Nettles family...*
