“ For most he was Tony. I was blessed. He is my dad regardless of his new address. May not get to sit beside him and watch TV or eat fried shrimp on Fridays with him but he will always be in my heart and thought of always. He was larger than life and my hero. Never a doubt my dad loved me and I love him. As a mom, I know my mama and papa are happy they have their son with them in heaven. Have to stay positive and be thankful I have a new Guardian Angel because the Lord knows I need one most days.

My dad is in his forever home but it doesn't mean he not still with us. His smile his I love yous will forever be in my heart. His mom and dad needed him and ate happy. Yet he's still watching over us. He's everywhere and still smiling and laughing like baby Jules his great grand he adored. We will miss him but he's always around the corner no pain just guides. We love you daddy.
