“ *In the quiet moments, when the hurt is so hard to bear, may love become your shelter and the beauty of precious memories be your comfort by God's help.*

Even though we never met, I felt like I knew you Tripp. With all the stories your Mom told me you were an amazing son. She was so proud of her wonderful son. Your life always brought a smile to her and just the glow she radiated when she spoke of you was incredible. She often bragged on how loving and caring you were. You never failed to check on her and be there at a moments notice. You will not be forgotten.
