“ *No one could match the cheerful positive nature that Tula displayed to those she loved... Even though we didn't get to be with each other often, our families have been intertwined in each others lives since 1989 when our two sons were in the MHS Band.... I feel as though I've lost a sister but her spirit will be with me for the rest of my life.... my love and sympathy to the Family..*

“ *I loved Tula from the moment I met her at Wade Hampton High. We have not been really close in a long time due to the distance between us but we have always kept in touch. I hurt for her family but know she is now healed. God bless you.*
