

Virginia "Ginger" Mary Reilly

April 9, 1952 - September 2, 2021

Virginia Mary Reilly, 69, of Summerville, SC died September 2, 2021 in Seward, Alaska, while on a vacation with her husband, son, and daughter. Ginger was born in Elizabeth, New Jersey on April 9, 1952, the daughter of Walter and Frances Reilly. She grew up in nearby Linden, NJ and graduated from Linden High School. Ginger graduated from Rutgers University in 1974 with a Bachelor's degree in Forestry. She went on to receive a Masters of Forestry degree from Yale University in 1976.

Ginger began her professional career in Texas with Kirby Forest Industries. She moved to Summerville in 1979, where she joined Westvaco, met and married her husband, and raised her family. Ginger retired from Westvaco after 27 years of service. Her career at Westvaco included a number of different roles, including maintenance manager, technical forester, and minerals manager. She was most proud of her service as district forester, guiding over a dozen people and 90,000 acres of land through the worst fire season the company ever experienced, as well as the aftermath of Hurricane Hugo.

Upon retirement, Ginger turned her energy towards her many passions. She was an active Master Gardener, volunteering at Magnolia Plantation. Ginger also served as a SC Long-Term Care Ombudsman and served in several roles with local/community schools. She was very active in the Society of American Foresters at local, state, and regional levels, serving in a number of offices.

Those who knew Ginger knew her as a caring friend, a loving wife and beloved mother, a lover of plants and animals, and someone who would do anything to help a person in need. She is survived by John Thurmes, her husband of 36 years; son Zachary Thurmes, of Raleigh, NC; daughter Rachel Thurmes of Wasilla, AK, and sister Joan Klapka and her husband Robert.

Visitation will be held at James A Dyal Funeral home in Summerville on September 16 from 6 to 8 pm, and a Funeral Mass will be held at St. John the Beloved Catholic Church in Summerville at 1 pm on September 17. In lieu of flowers, memorial contributions may be made to the Parkinson's Foundation at <https://parkinsons.org>, or to a charity of your choice.

“ I participated with Ginger on the Summerville Catholic School Board of Trustees and we of course saw Ginger, John and the children at church on Sundays. Nice to see them grow up to be fine adults. My only working experience with Ginger was on the school board. That showed me that she was a person who took her responsibilities seriously and gave her best effort every time.

Like many others we were shocked and saddened by Ginger's sudden passing, yet it happened at a time when the family was together, a blessing in a time of great need.

Our heartfelt condolences to John, Zack and Rachel.

“ John and family: Thank you for the great Tribute Video on Ginger and family and her many and varied travels over the years. Unfortunately my many and varied volunteer "jobs" and other involvements that I have chosen and evolved into during retirement the last 14 years from International Paper Forest Resources and relocating from Alabama back to Georgetown to be around several family and friends we had made during my career, did not allow me enough time to travel to Summerville for the viewing and/or the funeral Mass! As I indicated when I called you John, Ginger and you were always special to me as always professional, friendly and willing to take time to explore Society of American Forester and South Carolina Forestry Association opportunities in South Carolina. I always enjoyed each of your companionship and contributions and always making time to explore opportunities to improve our chosen profession of forestry! I will add a bucket to my list of things I still need to do to get over to Summerville and visit; and please feel free to call me if your travels take you toward the Georgetown area and/or I can help you in any way. While we have not seen each other in several years, I have always counted you and Ginger in the list of special people I have always been proud to have known! Godspeed, Colin Peterson (Sandy), 167 Johnstone Lane, Georgetown, S.C. 29440, (843) 344-9771.

“ Dear John and Rachel and Zach,

I never met any of you, but I'm an old classmate of Ginger's. I first met her at Linden School #1 in Kindergarten, and we were in many classes together over the next 12 years. In fact, for a short while her dad would pick me up in the morning and give me a ride with her in his turquoise Mercury to grammar school. Ginger was an incredibly warm, caring person with a great sense of humor, and a laugh that was deserving of such a gift. I can still hear her laugh, even as I write this. Funny how some things you remember throughout life, no matter how deep they are in the past. I know the pain that you all must be feeling right now, and I wish I could tell you that it goes away, but it doesn't. Ginger will be at every future family event, because you will all carry her with you in your hearts. From the video tribute, it looks like my classmate had quite an interesting, full life, and a very loving family. One can't ask for much more than that in this life. Once again, please accept my condolences for your great loss. Rest in Peace, Ginger . . .

“ *Dear John and Rachel and Zach*

When we learned about Ginger's passing we were all so heartbroken. Some of our fondest memories of childhood were the trips we took together as families. Being able to grow up around and learn from a person as passionate and caring as Ginger was truly a blessing. She was an amazing person. We miss her so much and can't imagine what your family is going through. Heaven is a brighter place today because of her and we know she will continue to watch over you and your family. Because that's the type of person she has always been.

“ *Dear John, Zachary and Rachel. My heartfelt and sincere condolences on the loss of your wife and mom. Cousin Ginger was a special person who always took time to remember our family back here in New Jersey. I'll always remember the annual Christmas photos and hand written letter she would send each year, knowing she was so proud of all of you. I pray that memories of happier times will help bring you comfort during this very difficult time.

“ Dear John and family. I am so sorry for this sudden loss and praying for you as you walk this out in faith. I wish I could say more than I can, but my interactions with Ginger have been few and sporadic and not very recent. Even so, she was a stalwart volunteer in APSAF, who could be depended on for anything and firmly made us a better organization than we would otherwise be. Her legacy lives on.... in many of us foresters, but more importantly in your family.
