“ There was A boy with a beautiful smile that I met when he was five. At that very moment I fell in love with his humor and his drive. Smart beautiful and stubborn were his sister and he. Everything you could want to make a beautiful family. The obstacle I had at the time was meeting their Mother. She was gracious beautiful and strong and welcomed me all along. Our blended family became three children when I had one of my own. So grateful for the lessons my beautiful bonus son, daughter and their mother had taught me to make me a better mom. Situations change and dreams become a shattered marriage, however the day I divorced their father I kept them in my heart still mine forever. So thankful for the times and the great big brother you were to the girls. So thankful that our children are so close and for Tammy’s constant support. You raised a wonderful man and an even better father!! Thank you for sharing your lives with me and making every moment more special!! Rackley Green I am so heartbroken. Please rest knowing I will be here for all of those you loved the most. I Love you!!💔💔💔
