“ To Kate and the entire McGuire Family (My extended Family) ~ I grew up with this group and always considered y'all Family. Kate, you and Wally were like my aunt and uncle (still are). We had some great times on vacation together, festivals at the Coastal Center, outings at the lake and other places and of course visiting with Santa (Wally).

Wally was like an M&M ~ outer hard shell and like sweet melted chocolate on the inside 🍫. He devoted himself to the Shriners ~ helping the Shriner Children and devoted much time as Santa during the Holidays with appearances at the Coastal Center where my sister was a resident. My Little Sister "Becky" loved Wally, she would see him in the suit and light up. I know he loved her just as much!

I'm so glad mom and I were able to visit with you both before he went into the Hospital ~ I loved our jokes and conversations. He loved to joke but I did see a spiritual side of Wally and I saw how much he loved you Kate. He said, he didn't know what he'd do without you Kate and I could see the Love and gratitude he had for you in his eyes.

Each day will get a little easier to go on ~ you will never get over the loss but you will find comfort in knowing he is no longer in pain. He's in a beautiful place now. That is a promise that has been given to all of us. I would have loved to see that reunion with Wally, Bubba, Daddy and Becky ❤️

Best advice I can offer - talk about Wally often and keep his memories alive. I love you all so much, I'm here for whatever I can do ~ I'm just a phone call away.
