“ *My Uncle Walter was such a wonderful person. You never had to doubt what he thought or said. Loved all the years we shared and so happy I was able to share time with him these last few weeks. I remember he and Barbara took me to see PT-109 when I was a little boy then a burger and shake at Piggy Park. Later I found out he was actually on his honeymoon. He was quick to laugh and a practical joker at times. I love him and will miss him dearly.*
