“When one person is missing the whole world seems empty.” That’s how it feels. Beau was a tenacious lawyer, a faithful friend, a wonderful boss, and, a man who unfailingly milked every last drop of fun out of any adventure. The world is empty without him.

“Beau and I would share memories of our families from Rowesville, where I grew up. He loved his Grandmother, Nell Busch's cooking and I shared the good times she and I had with extension homemakers. To know her was to love her, as it was with Beau. I'm grateful our paths crossed while working on workplace issues.
