In retirement he held several part-time jobs, the most memorable of which include serving as a Berkeley County Magistrate from 1990-1994 and a golf course Starter at The Club at Pine Forest until a few months before his death. Harvey was an avid sports fan, and his favorite sports to watch were Gamecock football and whatever his kids and grandkids were playing. He was a supporter of the U.S. Military Academy at West Point, from which both his sons graduated. Harvey was an active member of Bethany United Methodist

“ *I met Harvey at the US Customhouse in 1990, shortly after transferring from Miami to Charleston. We were both US Customs Special Agents. Harvey was always a gracious person. He was interested in meeting & talking to people! After his retirement, we lost contact until I started working at The Cklub at Pine Forest Country Club! Harvey was the starter. We talked & played several rounds of golf. I'll always remember him with his pipe & his Porsche!*

My condolences to the Hachett family. Harvey will be missed. 🙏🇺🇸

“ *Harvey became a special ial father-figure to me when my Dad became diagnosed with Alzheimer's. Every time I came to Summerville to visit, usually every six weeks during that time, he always made an effort to see me and we watched and shared a love of college football. I will miss his presence, and will always cherish our conversations.*
