“ *Papa was a kind , generous man.. One of my favorite memories of him was when my oldest daughter was able to walk, she would always go running to him for bubble gum, she would run down the hallway yelling to him papa, chew papa chew.. she was the apple of his eye, then my youngest was born and he had her doing the same thing. They all loved their papa going with him and grandma to eat chinese, just hanging out.. papa you are always in our hearts and will be sadly missed...*
